

# Back-to-School Clothing Drive

Do you remember the excitement of your first day of school? You probably woke early and put on the new clothes that you laid out the night before. You picked up your brand new backpack and smiled for that annual first day of school picture. Once at school, you eagerly opened up the new box of crayons and cracked the binding on a new notebook.

Sadly, this tradition does not take place in every Bucks County home. Unfortunately, some kids dread the first day of school, because they feel like they stick out like a sore thumb, wearing worn out clothes and using old supplies.

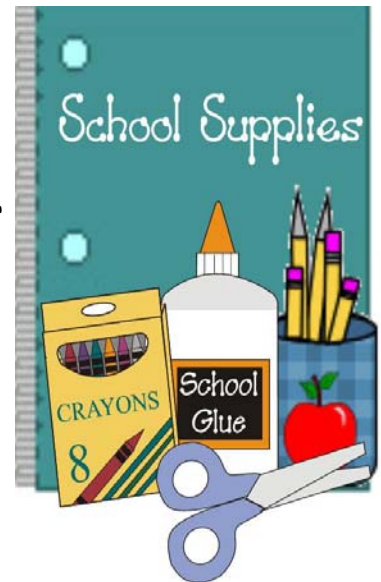

But, you can help a child feel that excitement and get the school year started off right.

**Join Family Service Association in the  
10<sup>th</sup> Annual Back-to-School Clothing Drive and you can help  
400 children return to school with excitement and hope!**

### Here's what you can do:

- Donate backpacks and school supplies for one child or family.
- Sponsor several children—a great project for groups!
- Make a cash donation, and volunteers will do your shopping for the children.
- Volunteer to help fill backpacks.

To participate, simply contact Sandy Drake at 215-757-6916 ext. 240 or at [ssides@fsabc.org](mailto:ssides@fsabc.org).

**We appreciate your help in making this  
back-to-school season the best ever for the  
children of our community.**

# Pre-K & Kindergarten Suggested School Supply List

## Supply Description
