Fulton Bank Food Drive to Help Local Families

The food will be donated to the food pantry at Family Service Association

Langhorne, PA (November 24, 2010) –Fulton Bank will be conducting a food drive for the Family Service Association (FSA) food pantry. Branches of Fulton Bank will begin collecting nonperishable items on December 6, 2010 and last through the end of the month.

The following branches are drop off locations for the food drive:

Doylestown - 379 N Main St. Doylestown

Southampton - 736 Street Rd, Southampton

Bensalem - 2100 Street Rd. Bensalem

Yardley - Floral Vale Boulevard, Yardley

In the past year, 970 Family Service clients requested assistance from the FSA food pantry.

“More of our families are asking for help with food. Many have never been in a position to have to ask for help in this manner and they are apprehensive about it. It is wonderful that the community can help FSA offer this type of ancillary service to its clients. When people are hungry, they are less likely to worry about coming to counseling. It is a basic need we are able to meet,” says Jane Shuster, Director of Community-based Services for Family Service. “The community helps to keep our shelves full.”
