

HOLIDAY

GIFT DRIVE 2014

Year round, hundreds of individuals and families turn to Family Service to help meet a variety of needs. During the holiday season, needs are greater and these same people turn to us to help make their holidays a little brighter.

YOUR GIFT DONATION CAN HELP!

Family Service is now accepting new, unwrapped gifts for people of all ages. In early December, we will display all of the gifts donated by the community and will invite individuals with demonstrated need to “shop” for each member of their family. Last year, we were able to brighten the holidays for more than 850 children and adults. Your generosity will help us to, once again, provide a joyful holiday for many Bucks County residents.

A list of suggested gift items is on the reverse side of this flyer; however, you can't go wrong if you just purchase the same sort of thing you might buy for your own family members of various ages.

All donations must be received at Family Service,
4 Cornerstone Drive, Langhorne, PA by **December 3, 2014**.

If you are interested in donating, please contact Susan Fischer at
215-757-6916, ext. 218 or sfischer@fsabc.org to schedule your delivery.

Thank you for giving a family a happy holiday season!
