FOR IMMEDIATE RELEASE

Benefit will help Bucks County Emergency Homeless Shelter residents

Family Service Association of Bucks County will host a benefit to raise funds for the Bucks County Emergency Homeless Shelter on Saturday, March 21, 2015 at The Fuge in Warminster.

The benefit will begin at 7:00 PM with live music, cocktails and hors d'oeuvres, followed by dinner, a live auction and a call to action. Guests can also tour The Fuge's unique, circular space that still houses the largest, most powerful human centrifuge the world has ever seen and have their photo taken inside the gondola of the actual centrifuge used by all of America's early astronauts including Neil Armstrong, Buzz Aldrin and John Glenn.

The Bucks County Emergency Homeless Shelter, a program of Family Service, is a temporary shelter for families and individuals who have lost safe housing. Proceeds from the benefit will help residents move from homelessness towards independence and a brighter, more stable future.

To purchase tickets, become a sponsor or learn more, visit www.fsabc.org/benefit or contact Ernie Nocito at (215) 757-6916, ext. 208 or enocito@fsabc.org.
