SAVE A LIFE FUND - \$50

Suicide is the second leading cause of death for young people ages 11 to 24 here in Bucks County. Family Service prevents suicide by answering calls for help on its CONTACT Helpline and the National Suicide Prevention Lifeline.

Your \$50 gift to our Save a Life Fund will provide two hours of supervised training for a volunteer listener so he or she is adequately prepared to answer calls from individuals contemplating suicide. Please donate now and help save a life.

Your gift can help

HOME AGAIN FUND - \$150

Approximately 500 people are homeless in Bucks County, and about 40% of those are children. Family Service provides emergency shelter for individuals and families who have lost safe, stable housing.

Please help us combat homelessness by making a donation to our Home Again Fund. \$150 will provide a shelter resident with two hours of budget counseling and financial planning to help his or her family get back on their feet. Give today and help a family get home again.

CHILDREN'S GREATEST NEEDS

FUND - \$100

The needs of our community change over time, and Family Service prides itself on being able to adapt to meet those ever-changing needs.

Give a gift to our Children's Greatest Needs Fund, and we'll make sure that your \$100 contribution goes to services that meet the most urgent needs facing children and families in our community.

HEALING FUND - \$75

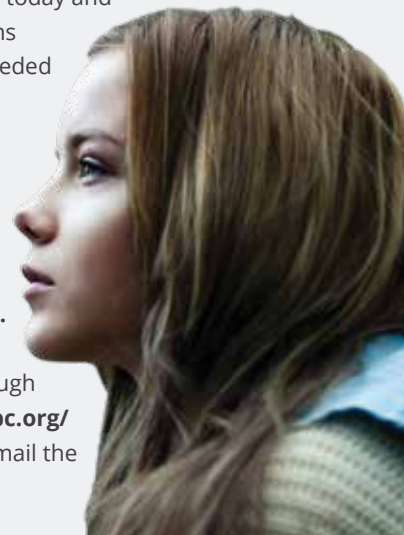

Fewer than 20% of children and adolescents with diagnosable mental health problems receive the treatment they need. Family Service eliminates many barriers that can prevent families from accessing mental health services for children and youth by providing counseling services directly in the school environment.

Your \$75 gift to our Healing Fund will provide a child or teen with one counseling session directly in his or her school. Make your gift today and help children and teens access desperately needed treatment.

Your gift can help **IMPROVE LIVES.** Give today — it's easy!

Your donation of \$200 will provide four hours of job development and coaching for an adult with a disability. Give today and help expand the workforce in our community.

HEALTHY FAMILIES

FUND - \$25

1 in 10 children suffer from child maltreatment. The youngest children are the most vulnerable. More than 45% of abused children are under the age of five. Family Service helps prevent child abuse by providing in-home parent education and support.

Please help us keep children safe by making a gift to our Healthy Families Fund. Your gift of \$25 will provide a high-risk family with 30 minutes of parent education and support. Donate now to help keep family relationships healthy.
