

# Integrated Treatment Series for Co-Occurring Disorders

*Series of trainings presented by Family Service Association of Bucks County*

## 1: Ethics & Boundaries for Effective Practice (TR382)

This training will identify ethical principles of practice in human services, explore issues regarding role and practice boundaries, review differences in law and regulations governing mental health and substance-related treatment agencies and practitioners and their effects on integrated practice, identify areas of operation within managed care environment that may present specific challenges to ethical practice including ways to reduce such risks, and discuss personal advocacy as central to the ethical practice of one's profession.

**When:** Tuesday, February 10, 2015 • 9:00 AM - 4:30 PM

**Where:** Family Service Association of Bucks County  
4 Cornerstone Drive • Langhorne, PA 19047

**Trainer:** Christopher Owens, MA, LPC, Behavioral Health Educator,  
Drexel University College of Medicine

**Fee:** \$35.00 (includes materials and Continuing Education Credits)  
*This training offers 6.0 hours of APA, CEU, LSW/LCSW/LPC/LFT, NAADAC, NBCC and PA Act48. If PCB/CAC/CACD/CCDP/CCDP-D, PSNA or CPRP are needed in addition to the above credentials, and additional \$35.00 fee applies.*

**Register:** By Friday, February 6, 2015 at [www.fsabc.org/cod-01](http://www.fsabc.org/cod-01)

**Questions?** Contact Gerri Parrish, Clinical Supervisor of Behavioral Health  
at [gparrish@fsabc.org](mailto:gparrish@fsabc.org) or 215.757.6916, ext. 109

*Family Service Association of Bucks County, a member of the Alliance for Strong Families & Communities, has pre-approved status by the Pennsylvania State Board of Social Workers, Marriage and Family Therapists and Professional Counselors for providing continue education courses.*
