## Verification of Information Provided by Applicants and Tenants of Assisted Housing

### What Verification Involves

To receive housing assistance, applicants and tenants who are at least 18 years of age and each family head, spouse, or co-head regardless of age must provide the owner or management agent (O/A) or public housing agency (PHA) with certain information specified by the U.S. Department of Housing and Urban Development (HUD).

To make sure that the assistance is used properly, Federal laws require that the information you provide be verified. This information is verified in two ways:

1. HUD, O/As, and PHAs may verify the information you provide by checking with the records kept by certain public agencies (e.g., Social Security Administration (SSA), State agency that keeps wage and unemployment compensation claim information, and the Department of Health and Human Services' (HHS) National Directory of New Hires (NDNH) database that stores wage, new hires, and unemployment compensation). HUD (only) may verify information covered in your tax returns from the U.S. Internal Revenue Service (IRS). You give your consent to the release of this information by signing form HUD-9887. Only HUD, O/As, and PHAs can receive information authorized by this form.
2. The O/A must verify the information that is used to determine your eligibility and the amount of rent you pay. You give your consent to the release of this information by signing the form HUD-9887, the form HUD-9887-A, and the individual verification and consent forms that apply to you. Federal laws limit the kinds of information the O/A can receive about you. The amount of income you receive helps to determine the amount of rent you will pay. The O/A will verify all of the sources of income that you report. There are certain allowances that reduce the income used in determining tenant rents.

**Example:** Mrs. Anderson is 62 years old. Her age qualifies her for a medical allowance. Her annual income will be adjusted because of this allowance. Because Mrs. Anderson's medical expenses will help determine the amount of rent she pays, the O/A is required to verify any medical expenses that she reports.

**Example:** Mr. Harris does not qualify for the medical allowance because he is not at least 62 years of age and he is not handicapped or disabled. Because he is not eligible for the medical allowance, the amount of his medical expenses does not change the amount of rent he pays. Therefore, the O/A cannot ask Mr. Harris anything about his medical expenses and cannot verify with a third party about any medical expenses he has.

### Customer Protections

Information received by HUD is protected by the Federal Privacy Act. Information received by the O/A or the PHA is subject to State privacy laws. Employees of HUD, the O/A, and the PHA are subject to penalties for using these consent forms improperly. You do not have to sign the form HUD-9887, the form HUD-9887-A, or the individual verification consent forms when they are given to you at your certification or recertification interview. You may take them home with you to read or to discuss with a third party of your choice. The O/A will give you another date when you can return to sign these forms.

If you cannot read and/or sign a consent form due to a disability, the O/A shall make a reasonable accommodation in accordance with Section 504 of the Rehabilitation Act of 1973. Such accommodations may include: home visits when the applicant's or tenant's disability prevents him/her from coming to the office to complete the forms; the applicant or tenant authorizing another person to sign on his/her behalf; and for persons with visual impairments, accommodations may include providing the forms in large script or braille or providing readers.

If an adult member of your household, due to extenuating circumstances, is unable to sign the form HUD-9887 or the individual verification forms on time, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

The O/A must tell you, or a third party which you choose, of the findings made as a result of the O/A verifications authorized by your consent. The O/A must give you the opportunity to contest such findings in accordance with HUD Handbook 4350.3 Rev. 1. However, for information received under the form HUD-9887 or form HUD-9887-A, HUD, the O/A, or the PHA, may inform you of these findings.

O/As must keep tenant files in a location that ensures confidentiality. Any employee of the O/A who fails to keep tenant information confidential is subject to the enforcement provisions of the State Privacy Act and is subject to enforcement actions by HUD. Also, any applicant or tenant affected by negligent disclosure or improper use of information may bring civil action for damages, and seek other relief, as may be appropriate, against the employee.

HUD-9887/A requires the O/A to give each household a copy of the Fact Sheet, and forms HUD-9887, HUD-9887-A along with appropriate individual consent forms. The package you will receive will include the following documents:

1. **HUD-9887/A Fact Sheet:** Describes the requirement to verify information provided by individuals who apply for housing assistance. This fact sheet also describes consumer protections under the verification process.
2. **Form HUD-9887:** Allows the release of information between government agencies.
3. **Form HUD-9887-A:** Describes the requirement of third party verification along with consumer protections.
4. **Individual verification consents:** Used to verify the relevant information provided by applicants/tenants to determine their eligibility and level of benefits.

### Consequences for Not Signing the Consent Forms

If you fail to sign the form HUD-9887, the form HUD-9887-A, or the individual verification forms, this may result in your assistance being denied (for applicants) or your assistance being terminated (for tenants). See further explanation on the forms HUD-9887 and 9887-A.

If you are an applicant and are denied assistance for this reason, the O/A must notify you of the reason for your rejection and give you an opportunity to appeal the decision.

If you are a tenant and your assistance is terminated for this reason, the O/A must follow the procedures set out in the Lease. This includes the opportunity for you to meet with the O/A.

**Authority:** Section 217 of the Consolidated Appropriations Act of 2004 (Pub L. 108-199). This law is found at 42 U.S.C.653(J). This law authorizes HHS to disclose to the Department of Housing and Urban Development (HUD) information in the NDNH portion of the "Location and Collection System of Records" for the purposes of verifying employment and income of individuals participating in specified programs and, after removal of personal identifiers, to conduct analyses of the employment and income reporting of these individuals. Information may be disclosed by the Secretary of HUD to a private owner, a management agent, and a contract administrator in the administration of rental housing assistance.

Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992 and section 3003 of the Omnibus Budget Reconciliation Act of 1993. This form also authorizes HUD, the O/A, and the PHA to seek wage, new hire (W-4), and unemployment claim information from current or former employers to verify information obtained through computer matching.

**Uses of Information to be Obtained:** HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. The O/A and the PHA is also required to protect the income

information it obtains in accordance with any applicable State privacy law. After receiving the information covered by this notice of consent, HUD, the O/A, and the PHA may inform you that your eligibility for, or level of, assistance is uncertain and needs to be verified and nothing else.

HUD, O/A, and PHA employees may be subject to penalties for unauthorized disclosures or improper uses of the income information that is obtained based on the consent form.

**Who Must Sign the Consent Form:** Each member of your household who is at least 18 years of age and each family head, spouse or co-head, regardless of age, must sign the consent form at the initial certification and at each recertification. HOPE 2 Homeownership of Multifamily Units

**Failure to Sign Consent Form:** Your failure to sign the consent form may result in the denial of assistance or termination of assisted housing benefits. If an applicant is denied assistance for this reason, the owner must follow the notification procedures in Handbook 4350.3 Rev. 1. If a tenant is denied assistance for this reason, the owner or managing agent must follow the procedures set out in the lease.

## Authority for Requiring Applicant's/Tenant's Consent to the Release of Information

Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992. This law is found at 42 U.S.C. 3544.

In part, this law requires you to sign a consent form authorizing the Owner to request current or previous employers to verify salary and wage information pertinent to your eligibility or level of benefits.

In addition, HUD regulations (24 CFR 5.659, Family Information and Verification) require as a condition of receiving housing assistance that you must sign a HUD-approved release and consent authorizing any depository or private source of income to furnish such information that is necessary in determining your eligibility or level of benefits. This includes information that you have provided which will affect the amount of rent you pay. The information includes income and assets, such as salary, welfare benefits, and interest earned on savings accounts. They also include certain adjustments to your income, such as the allowances for dependents and for households whose heads or spouses are elderly handicapped, or disabled; and allowances for child care expenses, medical expenses, and handicap assistance expenses.

## Purpose of Requiring Consent to the Release of Information

In signing this consent form, you are authorizing the Owner of the housing project to which you are applying for assistance to request information from a third party about you. HUD requires the housing owner to verify all of the information you provide that affects your eligibility and level of benefits to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct levels. Upon the request of the HUD office or the PHA (as Contract Administrator), the housing Owner may provide HUD or the PHA with the information you have submitted and the information the Owner receives under this consent.

## Uses of Information to be Obtained

The individual listed on the verification form may request and receive the information requested by the verification, subject to the limitations of this form. HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. The Owner and the PHA are also required to protect the income information they obtain in accordance with any applicable state privacy law. Should the Owner receive information from a third party that is inconsistent with the information you have provided, the Owner is required to notify you in writing identifying the information believed to be incorrect. If this should occur, you will have the opportunity to meet with the Owner to discuss any discrepancies.

## Who Must Sign the Consent Form

Each member of your household who is at least 18 years of age, and each family head, spouse or co-head, regardless of age must sign the relevant consent forms at the initial certification, at each recertification and at each interim certification, if applicable. In addition, when new adult members join the household and when members of the household become 18 years of age they must also sign the relevant consent forms.

Persons who apply for or receive assistance under the following programs must sign the relevant consent forms:

Rental Assistance Program (RAP)  
Rent Supplement  
Section 8 Housing Assistance Payments Programs (administered by the Office of Housing)  
Section 202  
Sections 202 and 811 PRAC  
Section 202/162 PAC  
Section 221(d)(3) Below Market Interest Rate  
Section 236  
HOPE 2 Home Ownership of Multifamily Units

**Failure to Sign the Consent Form**

Failure to sign any required consent form may result in the denial of assistance or termination of assisted housing benefits. If an applicant is denied assistance for this reason, the O/A must follow the notification procedures in Handbook 4350.3 Rev. 1. If a tenant is denied assistance for this reason, the O/A must follow the procedures set out in the lease.

**Conditions**

No action can be taken to terminate, deny, suspend or reduce the assistance your household receives based on information obtained about you under this consent until the O/A has independently 1) verified the information you have provided with respect to your eligibility and level of benefits and 2) with respect to income (including both earned and unearned income), the O/A has verified whether you actually have (or had) access to such income for your own use, and verified the period or periods when, or with respect to which you actually received such income, wages, or benefits.

A photocopy of the signed consent may be used to request the information authorized by your signature on the individual consent forms. This would occur if the O/A does not have another individual verification consent with an original signature and the O/A is required to send out another request for verification (for example, the third party fails to respond). If this happens, the O/A may attach a photocopy of this consent to a photocopy of the individual verification form that you sign. To avoid the use of photocopies, the O/A and the individual may agree to sign more than one consent for each type of verification that is needed. The O/A shall inform you, or a third party which you designate, of the findings made on the basis of information verified under this consent and shall give you an opportunity to contest such findings in accordance with Handbook 4350.3 Rev. 1.

The O/A must provide you with information obtained under this consent in accordance with State privacy laws.

If a member of the household who is required to sign the consent forms is unable to sign the required forms on time, due to extenuating circum-

stances, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

Individual consents to the release of information expire 15 months after they are signed. The O/A may use these individual consent forms during the 120 days preceding the certification period. The O/A may also use these forms during the certification period, but only in cases where the O/A receives information indicating that the information you have provided may be incorrect. Other uses are prohibited.

The O/A may not make inquiries into information that is older than 12 months unless he/she has received inconsistent information and has reason to believe that the information that you have supplied is incorrect. If this occurs, the O/A may obtain information within the last 5 years when you have received assistance.

**VI. SPECIAL INFORMATION TO HELP YOU COMPLETE SECTION D:**

**HOW WE USE SECTION D:**

- Section D asks you to tell us what other manifestations of HIV your patient may have. It also asks you to give us an idea of how your patient's ability to function has been affected.
- We do not need detailed descriptions of the functional limitations imposed by the illness; we just need to know whether your patient's ability to function has been affected to a "marked" degree in any of the areas listed. See below for an explanation of the term "marked."

**SPECIAL TERMS USED IN SECTION D**

**WHAT WE MEAN BY "REPEATED" MANIFESTATIONS OF HIV INFECTION: (See Item 42.a)**

"Repeated" means that a condition or combination of conditions:

- Occurs an average of 3 times a year, or once every 4 months, each lasting 2 weeks or more; or
- Does not last for 2 weeks, but occurs substantially more frequently than 3 times in a year or once every 4 months; or
- Occurs less often than an average of 3 times a year or once every 4 months but lasts substantially longer than 2 weeks.

**WHAT WE MEAN BY "MANIFESTATIONS OF HIV INFECTION": (See Item 42.a)**

"Manifestations of HIV infection" may include:

- Any condition listed in section C, but without the findings specified there (e.g., carcinoma of the cervix not meeting the criteria shown in item 22 of the form, diarrhea not meeting the criteria shown in item 33 of the form); or
- Any other condition that is not listed in section C (e.g., oral hairy leukoplakia, myositis).

Manifestations of HIV must result in significant, documented, symptoms and signs (e.g., fatigue, fever, malaise, weight loss, pain, night sweats).

Continued on the reverse 

**WHAT WE MEAN BY "MARKED" LIMITATION OR RESTRICTION IN FUNCTIONING: (See Item 42.b)**

When "marked" is used to describe functional limitations, it means more than moderate, but less than extreme. "Marked" does not imply that your patient is confined to bed, hospitalized, or in a nursing home.

A marked limitation may be present when several activities or functions are impaired or even when only one is impaired. An individual need not be totally precluded from performing an activity to have a marked limitation, as long as the degree of limitation is such as to seriously interfere with the ability to function independently, appropriately, and effectively.

**WHAT WE MEAN BY "ACTIVITIES OF DAILY LIVING": (See Item 42.b)**

Activities of daily living include, but are not limited to, such activities as doing household chores, grooming and hygiene, using a post office, taking public transportation, and paying bills.

**EXAMPLE:** An individual with HIV infection who, because of symptoms such as pain, imposed by the illness or its treatment, is not able to maintain a household or take public transportation on a sustained basis or without assistance (even though he or she is able to perform some self-care activities) would have marked limitation of activities of daily living.

**WHAT WE MEAN BY "SOCIAL FUNCTIONING": (See Item 42.b)**

Social functioning includes the capacity to interact appropriately and communicate effectively with others.

**EXAMPLE:** An individual with HIV infection who, because of symptoms or a pattern of exacerbation and remission caused by the illness or its treatment, cannot engage in social interaction on a sustained basis (even though he or she is able to communicate with close friends or relatives) would have marked difficulty maintaining social functioning.

**WHAT WE MEAN BY "COMPLETING TASKS IN A TIMELY MANNER": (See Item 42.b)**

Completing tasks in a timely manner involves the ability to sustain concentration, persistence, or pace to permit timely completion of tasks commonly found in work settings.

**EXAMPLE:** An individual with HIV infection who, because of HIV-related fatigue or other symptoms, is unable to sustain concentration or pace adequate to complete simple work-related tasks (even though he or she is able to do routine activities of daily living) would have marked difficulty completing tasks.
