

JOB COACHING

Job Coaching, part of Family Service's AACES program, is for young adults ages 18+ who desire competitive employment in the community.

Our services are tailored to your specific needs. We assess your needs, develop an individualized plan and work with you to implement that plan.

We serve all persons with disabilities except those eligible for ID services.

For more information, please contact our AACES Coordinator at aaces@fsabc.org or 215.757.3300.

We provide the following services:

- One-on-one support throughout the process of obtaining paid employment
- Assistance with resume development
- Vocational evaluation to determine job preference and skills
- Assistance with the application and job development processes
- Mock interviews and attendance at interviews
- On-the-job training until working independently
- Regular check ins on the job site
