

## TRANSITION SERVICES: EMPLOYMENT & HIGHER EDUCATION

Transition Services, part of Family Service's AACES program, are for youth ages 17-21 who are in need of assistance to transition successfully into competitive employment or higher education.

Our services are tailored to your specific needs. We assess your needs, develop an individualized plan and work with you to implement that plan.

We serve all persons with disabilities except those eligible for ID services.

**For more information, please contact our AACES Coordinator at [aaces@fsabc.org](mailto:aaces@fsabc.org) or 215.757.3300 or visit [www.fsabc.org/jobs](http://www.fsabc.org/jobs).**

We help register individuals with the Office of Vocational Rehabilitation (OVR). Once approved and referred by OVR, we can provide the following services:

- Assessment
- Planning
- Workplace readiness training
- Preparation and pre-placement support
- Post-placement work site shadowing and support

Whether you're seeking competitive employment or a workplace learning experience, or you want to further your education, we can provide you with the support you need to meet your goals.

### ABOUT AACES

Adolescent and Adult Competitive Employment and Socialization (AACES) is a program of Family Service Association of Bucks County.

### ABOUT FAMILY SERVICE

Family Service Association of Bucks County is a 501(c)3 nonprofit organization that serves over 24,000 people each year. We provide people with the skills and services they need to become independent.
