

FREE BENEFITS NAVIGATION FOR OLDER ADULTS

Are you feeling short on money or having trouble affording food and medications? Help may be available.

OUR SERVICES

We provide free public benefits counseling to low-income older adults.

If your **2018 gross monthly income**, not including all earned income, is lower than **\$2,157** (single) or **\$2,855** (couple), you may be eligible for benefits such as:

- SNAP: Food Stamps
- LIHEAP: Heating Assistance
- PACE/PACENet and Extra Help/LIS: Help lower prescription costs
- Medicare Savings Benefit (MSB): The state pays Medicare Part B premium
- Medical Assistance: Provides low cost, comprehensive health care
- Property Tax/Rent Rebate: Refund of taxes or rent paid in the prior year

Many older adults do not realize they are eligible. **We evaluate** your eligibility.

Applying for benefits can be confusing and time consuming. **We help you navigate** through the application process, and **we assist you with obtaining documents** needed to support benefits applications.

Accepting benefits does not take them away from others. *They are available to anyone who qualifies.*
