**Help for Drug and Alcohol Needs in Bucks County**

Call toll-free, 24/7

*If you are experiencing a medical or mental health emergency,  
go to the closest emergency department or call 911.*

## INSURANCE

**No Insurance:** Call Bucks County Drug and Alcohol Commission, Inc. at 215.773.9643, 8:30 AM - 4:30 PM, Monday - Friday, to determine if county funded treatment and other services are available.

**Medical Assistance:** Call Magellan Health Services at 877.769.9784, 24/7 and they will provide information on the nearest treatment agency for an assessment; or go to one of the listed assessment sites below.

**Veteran's Benefits:** Call 877.222.8387 to find out eligibility for services. Individuals who are Veterans are eligible for county funding.

**Private Health Insurance:** For treatment information, call the number on the back of the insurance card listed under Mental Health/Substance Abuse.

## ASSESSMENT SITES

For a drug and alcohol assessment, walk-ins are accepted during the times noted below for each provider on a first come first serve basis.

## SUPPORTIVE SERVICES

**Intensive Case Management Services:** For information about The Council of Southeast Pennsylvania's Community Recovery Centers, Intensive Case Management and Recovery Coaches, visit [www.councilsepa.org/programs/case-management-services-unit](http://www.councilsepa.org/programs/case-management-services-unit) or call 215.781.3134. They can also give you information about local support groups including AA, NA, Alanon, etc.

**Recovery Houses:** Recovery Houses are available throughout Bucks County and provide a safe living environment for individuals seeking recovery and support. Learn more at [www.buckscountyrecoveryhouseassociation.com](http://www.buckscountyrecoveryhouseassociation.com).

**Opioid Use Disorder Center of Excellence:** Care Coordinators help you navigate the treatment system and connect to resources and supports needed to promote your recovery process. Services are for individuals who have or are eligible for Medicaid. Centers are located in Lower Bucks County at Family Service, 215.757.6916, ext. 150 or 137, and in Upper Bucks County at Penn Foundation, 267.404.5990.

**B-CARES:** Certified Recovery Specialists provide connections from the treating emergency room to a level of care assessment and treatment for individuals presenting with opioid and other substance use emergencies. All six Bucks County hospitals can provide this connection via Certified Recovery Specialists.

## OVERDOSE PREVENTION

Narcan is a prescription medication that blocks the effects of opioids and is intended to reverse an overdose. It may be available through Bucks County Drug and Alcohol Commission, Inc. at no charge by calling 215.444.2785 or at your local pharmacy where a fee may apply.

***For more information about the full array of services available in Bucks County, call 215.773.9643 or visit [www.buckscounty.org/drugandalcoholcommission](http://www.buckscounty.org/drugandalcoholcommission).***
